Rosa's Mexican Grill

Bienvenidos a Rosa's

- Rosa's Mexican Grill brings you authentic Mexican food similar to that which is served along the Baja Coast of Mexico.
- All our food is made fresh.
- We use no chemicals, preservatives or lard in any of our foods.
- All of our salsas are made from scratch using the freshest tomatoes, chilies and spices.
- We marinate our beef and pork in fruit juices, herbs & spices and slowly oven roast them. The meats are then lightly char-broiled while we baste them in their own natural juices.
- The chicken is marinated in a special mild red chili sauce and is baked for several hours until each piece is firm & moist.
- Rosa's healthy & natural ingredients are a great combination which provides the highest complex carbohydrates, fiber, and protein with the lowest saturated fat and cholesterol.
